

## SETUP MOBILE APP

Follow the steps below to install the Student and/or Parent mobile app.

1. Open the App Store for your device.
2. Search for either the Canvas Parent app (if you are logging in as an Observer) or the Canvas Student app (if you are logging in as a Student).
3. Tap Install to download and install the app.
4. Once the app is installed, open the Canvas Mobile app.
5. Select Find My School.
6. Enter your school name, under What's your school's name?
7. Once you find the school, select it.
8. Enter your login information and select Log in.

**HAPPY LEARNING!!!**
