

HOW DO I LOGIN TO AMP USING MY OWN LAPTOP

1. Go to Google.com and click “Sign In” at the top right.
Note: If you don’t see “Sign in” click the initial/avatar instead, click Sign out, then click Sign In.
2. Enter your school-provided username/email.
Note: If you are already logged in with another account click “Use another account”.
3. Now that you are logged into Google, enter the URL of the Canvas website that your school provided you. If you do not have the URL, click here to look up your school’s Canvas site.
4. On the login screen, click Login with Google.

Success! You should now be logged into the AMP platform!

HAPPY LEARNING!!!
