## Team work makes the dream work!

Students and Learning coaches,  
you're a team!

Learning Coaches, take an active role with your students and check in on their daily work and progress.

Discuss what has been completed and what might still need to be done (example: log offline time).

## Set-up your work space

Have a designated workspace where you will be the best you can be

Make sure you remove all distractions from your work area

Check that your equipment and internet is set-up and working properly

## Stay connected with your School

Your school and teachers will send you important updates and communication throughout the year.

Check your Canvas Messages daily for important emails from your school or teachers

Your Student Homepage is a great place to find school and teacher announcements

## Use your orientation course as a refresher

Even after your first week, the Orientation Course is a great resource for Students and Learning Coaches to get a refresher on how to use the Online School system and access curriculum.

Tip: Students and Learning Coaches will have access to the orientation course all year long!

The image shows a user interface with a sidebar menu on the left and a help panel on the right. The sidebar menu includes the following items: Account, Dashboard, Courses, Groups, Calendar, Inbox, History, and Mastery. The help panel is titled "Help" and contains the following content: Tech Support (Need Support? Call 833.426.7457 to speak with an agent.), Ask Your Instructor a Question (Questions are submitted to your instructor), AMP Support Website, and Video Conferencing Guides for Remote Classrooms (Get help on how to use and configure conferences in canvas.). A "Live Chat" button is located in the bottom right corner of the help panel. An orange arrow points from the "Help" menu item in the sidebar to the "Live Chat" button.
